University of Sydney

B.S. in Interaction Design, WAM 84.75

September 2026

FrontEnd Simplified

Front End Developing Course

December 2024

EXPERIENCE

Rajang Digital Solution

UI/UX Design Intern

December 2024 - February 2025

Sydney, Australia

- Delivered **6 international projects**, designing web/mobile apps and data dashboards for construction, oil & gas, and developer tools.
- Built **3 mobile apps**, including a **construction safety app** that cut reporting errors by **40%**.
- Revamped the company website, boosting engagement by **25%** with improved UX and accessibility.
- Developed a **self-service API portal** and a **B2C dev tool**, cutting project setup time by **50%**.
- Designed a **GIS-enabled vessel inspection system** and a **mobile-first portal** for field engineers.
- Collaborated with PMs, developers, and offshore teams to align UX with business goals.
- Tools:** Figma, React, REST APIs, Adobe Suite, Git.

USU

Casual Retail Member

September 2023 - Present

Sydney, Australia

- Developed **strong communication skills** by engaging with customers in a retail and café setting.
- Enhanced **multitasking abilities** by managing orders, serving food and beverages, and handling transactions efficiently.
- Strengthened **problem-solving skills** by addressing customer inquiries and resolving issues in a fast-paced environment.
- Fostered **teamwork and collaboration** to ensure smooth operations and exceptional customer service.

Muafakat

Web Designer & Developer

April 2024 - July 2024

Sydney, Australia

- Designed and developed** a responsive website for a major sports event catering to Malaysian students in Sydney.
- Built a **user-friendly interface** with HTML and CSS to showcase event details, schedules, and updates.
- Optimized site performance** for seamless viewing across various devices.
- Ensured accessibility and usability**, enhancing the overall experience for event participants.
